BERKELEY HEIGHTS TOWNSHIP COUNCIL

EDMUND "TOM"

MACIEJEWSKI

Chemical Engineer | Republican

STOP THE OVERDEVELOPMENT

01 **Stop overdevelopment and taxpayer-funded PILOTs.**

Put residents and taxpayers first.

02 **Bring engineering expertise to the council.**

Address sewer, flooding, and drainage issues. Elect a chemical engineer to evaluate solutions, oversee projects, and keep costs under control.

03 **Demand a Council that listens.**

Unhappy with its direction or how residents are treated? Vote for me, your transparency and taxpayer advocate.
